Walk tall

Some people want to be famous

Some people want to be beautiful,

Some people want to be clever,

But the _____ thing of all...

Is to be positive and walk tall!

We can try to be kind, we can try to be _____,

We can try to be the kindest of them all.

Please, my friend, remember one thing:

We can all be generous and walk tall!

Some people want to be famous

Some people want to be beautiful,

Some people want to be clever,

But the _____ thing of all...

Is to be positive and walk tall!

Don't be mean, don't be meaner,

Don't be _____ of them all.

Please, my friend, remember one thing:

We can all be generous and walk tall!

Some people want to be famous

Some people want to be beautiful,

Some people want to be clever,

But the _____ thing of all...

Is to be positive and walk tall!
