Key Words to Know

care small big habitat

Hint

Do you know that black soil has most of the nutrients plants need?

Growing Plants

Most plants grow from the soil.

Write the name of each plant in the box given. Use the Word Box.

Word Box

- Mango
- Cassava
- Maize
- Pepper
- Coconut
- Plantain

Activity

Dig up some soil and put them in two separate jars. Water them everyday and observe what happens for a week. Some plants will spring up.
