## Unit 3: Exercise 10

**You are going to buy some food and a drink at a cafeteria. Use the ideas below to help you.**

**Record your questions. As the record function have some issues, you could choose to type down your answer instead or break up your speaking into multiple parts**

**Ideas**

- Find out if the cafeteria has your favourite food.
- Get two or more things that you would like to eat.
- Get something to drink.
- Find out how much it is.
- Pay by card.
