How do you get to school? Do you go by bus or by car? Banpo primary school children have a very different and interesting trip to school. Most children in China go to school by car or bus, but children from this village don't. Banpo primary school is high on a mountain. The children live far away. There aren't any school buses or cars. So, how do they get to school? They walk to school every day with their teacher. They walk along a small road. The road is very dangerous. The children get up early in the morning. It's a long trip and it's very scary!
