Transformation of energy - By Puan Nor Syuhada

Write the correct answer of transformation of energy for the pictures below. Possible answers given at the right side. You can use it more than once

Potential energy

Chemical energy

kinetic energy

light energy

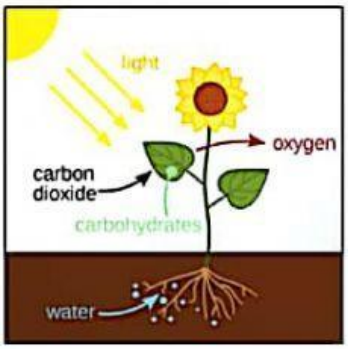
sound energy

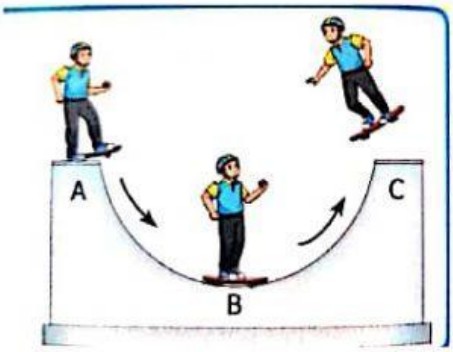
heat energy

Electrical energy

Transformation of energy - By Puan Nor Syuhada

Write the correct answer of transformation of energy for the pictures below. Possible answers given at the right side. You can use it more than once





- Chemical energy
- kinetic energy
- light energy
- sound energy
- heat energy
- Electrical energy
- Solar energy
- Potential energy
