What If?

Does the weather constantly change your plans? It changes mine! I am planning something for next weekend, but I am not sure what to do. If the weather is nice, I will probably go to the park with my horse Faruk, but what if it isn´t? What if it is raining? If it is raining next weekend, I can´t walk with my horse. If it rains, I will stay home, watch movies, or play online poker, but I really want to go out.

If it is cloudy, but it doesn´t rain, I definitely won´t stay home. I´ll go to the mall and do some window shopping and I may meet some of my friends. If I go to the mall, I will get a large Cappuccino because I love coffee. If I meet my friends, they will invite me to a party for sure. If I have money, I will probably buy something to wear as a bikini. Oh boy! What if it´s cold at night? I will have to wear boots and a dress.

You see, making plans for the next week is so hard. I have a birthday party on Friday. What if I get a stomachache from eating too much cake? I should probably stay home and finish my homework. If I don´t do it, my teacher definitely will get angry. See you later guys.
