Family at Sea

● *Andrew Sayre is from Australia but he doesn't live there. His home is a 15-metre yacht, and he lives in many different countries in one year.*

● *When they reach a nice port, they stop. Sometimes they stay for a week and sometimes for six months. When they stay for a long time, Andrew goes to school. After some time they sail away again.*

● *His mum and dad are writers. Their books are about the sea, their adventures, and the places that they visit. They send the books back to Australia by email.*
