E) **[9-10] Read the following passage and choose the best answers.**

Bright colors are a wonderful part of spring. In March, there is a festival of color in India. It is called Holi.

During Holi, people eat lots of sweet foods. They also sing and dance outside with their families and friends.

People make colorful powders as well. They believe they look like the colors of spring.

Then, they throw them at each other! They also throw balloons. The balloons are filled with colored water. Everyone gets messy but has lots of fun.

Holi is a time when Indian people celebrate spring. How do you like to celebrate spring?

9. What do people NOT throw at each other during Holi?
   a. food
   b. powders
   c. balloons

10. What do Indian people think Holi powders look like?
   a. spring foods
   b. colored water
   c. spring colors
