LIVEWORKSHEETS

B. Listen to information on bank services, answer the questions, and then read along with the audio recording. Use the words from the box to complete the text. 12 pts (1pt each correct answer)

exchange	**transferred**	**checking account**	**interest**
deposit	**balance**	**withdraw**	**safety deposit box**
savings account	**expenses**	**accounts**	**loan**

Yesterday, I went to a bank to open up a savings and checking account. I _____ about $300 every month in my _____ to save money for major purchases or for a rainy day when I have unexpected _____. My paycheck is deposited directly into my _____, and I write out checks to pay my bills. My checking account is free if I maintain a minimum _____ of $25 in the account. I also have about $100 automatically _____ from my checking to my savings account on a monthly basis. The _____ earn very little interest, but it's better than earning nothing. Therefore, I also have a certificate of deposit that earns a higher rate of _____, but I can't _____ the money from the account for one year. Actually, I need money because I'm planning on taking out a student _____ to pay for college tuition. Also, I rent a _____ at the bank and store my valuables there including important documents, some coins and jewelry, and the deed, or ownership record, to my house. Finally, I can _____ my money into the currency of other countries, or I can buy traveler's checks before I depart on a trip.
