

Nicky – a hairdresser

Interviewer: Welcome to The World at Work. On tonight's programme we have Nicky Evans, hairdresser. Nicky, tell us a little bit about what you do every day.

Nicky: Well, I get up early, have a shower and get dressed. I'm busy all day and I need a lot of energy, so I always have a big breakfast. When I get to work, it's hair, hair, hair! I love my job. I really like meeting people and talking to them. I don't have a lot of time for lunch, but I always try to buy a sandwich or a salad. I don't like sweeping the floor and cleaning up, but I have to do it before I go home. I'm on my feet all day, so in the evening I want to relax. I watch some TV or listen to music. I go to bed at 11 or 11:30.
