slower **shorter** **faster** **farther** **push** **pull**

Ruby's Bicycle Story

Speed is how fast or slow an object is moving. Ruby is in a hurry to get to the store because it looks like it is going to rain outside! To make her bike go faster, she made a _____ push on the pedals.

The bike went _____.

As she got closer to the store, she needed to slow down so she made a _____ push on her brakes.

The bike went _____.

big **small** **faster** **slower**
