Why is Nita Upside Down?

Nita feels strange. She doesn't want to be in the playground with the other kids. Navi wants to help her.

Every human is "strange". What are the kids like?

NAVI	**wears glasses**
ABE	**has got crazy hair**
CHI	**is round (= fat)**
LALA	**is skin and bone (=very thin)**
BAM BAM	**likes reading quietly**
LULU	**is wild**
FREYA	**is freckled**
TIM	**can't speak fluently**
NITA	**is extra tall**

We can't be the same to "play" in this world. What are YOU like?
