Diary of a Wimpy Kid

I love this book. I read it every day last summer. It's about a boy, Greg. Greg is a normal boy in middle school and he writes in a diary (he says it's a 'journal') every day. Greg's got a best friend, Rowley, and a mean little brother. There are some funny events. My favourite part is the story at Halloween. One day, Greg and Rowley argue and they aren't friends anymore. Greg is friends with his neighbour for some time and doesn't speak to Rowley. The ending is good but I can't tell you!

The book was really funny and it made me laugh a lot. I'm keen on the cartoon pictures in the book, too. I liked it because I'm in middle school too – and my best friend's name is Greg. He's like the Wimpy Kid!
