TITANIUM DAVID GUETTA FEAT SIA

You shoot me down, but I get up
You shout it out
I'm talking loud, not saying much
I'm criticized, but all your bullets
ricochet
But I can't hear a word you say

Fire away, fire away
I am titanium
You shoot me down, but I won't fall
Ricochet, you take your aim
I'm bulletproof, nothing to lose
You shoot me down, but I won't fall
I am titanium
Fire away, fire away

Ghost town, haunted love
But it's you who'd have further to fall
may break my bones
Raise your voice, sticks and stones
Cut me down
I'm talking loud, not saying much

You shoot me down, but I won't fall
Fire away, fire away
Ricochet, you take your aim
I'm bulletproof nothing to lose
I am titanium
Fire away, fire away
I am titanium
I am titanium
You shoot me down, but I won't fall I
am titanium

Stone-hard, machine gun
Firing at the ones who run
Stone-hard, as bulletproof glass

You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium
I am titanium
