Answer the questions based on the dialog.

Mr. Arya : It seems that you lost your appetite. What's wrong, Raka?
Raka : Well, I have a sour stomach, Dad. It's very painful.
Mr. Arya : Wait a minute. I'll take a medicine for you.
Raka : Thanks, Dad.

After taking the medicine

Mr. Arya : Please take it.
Raka : What is it, Dad? Chews?
Mr. Arya : Yup! They are chewable tablets.
Raka : Do you think it is effective to reduce my sour stomach?
Mr. Arya : I think so. It contains calcium carbonate 1000mg.
Raka : How many tablets should I chew?
Mr. Arya : 2 or 3 tablets.
Raka : Is it safe for teenagers?
Mr. Arya : It is. According to the label, the product can be consumed by adults and children of age 12 and above.
Raka : O.K., Dad. I'll take it.
Mr. Arya : Get well soon! If you still have a severe stomachache, let's see a doctor.
Raka : Yes, Dad.
