COMMUNITY LANGUAGE LEARNING (CLL)

Order the activities of the CLL classroom from 1 to 7:

	Introduce a topic
	Ask students to read their sentences and repeat after them
	Collect vocabulary list from your students (add some of yours!)
	Ask students to write sentences using the words from the list
	Give students time to think about the topic and related vocabulary
	Read the words and explain the meaning
	Ask students to read the words and repeat after them

TASK-BASED LANGUAGE LEARNING (TBLT)

Order the activities of the CLL classroom from 1 to 5:

	A teacher introduce the students to the language they will need
	The teacher monitors students' performance and intervene when necessary
	Students do the task
	The teacher reinforces students' learning or to address any problems that may have arisen.
	Students are given a task
