**4. Listen to the next part of the song and find any extra word in each line.**

I've been spending way too long and checking my tongue in the mirror
And then bending over backwards just to try to see it clearer
But my breath fogged up all the glass
And so, I drew a new funny face and I laughed
I guess what I'll be saying is that there ain't no better reason
To rid yourself of vanity and just go with the four seasons
It's what we can aim to do
Our name is all our virtue

**[Chorus]**
