3 Choose the correct words to complete the blog extracts.

1 We were worried about the weather because the sky was very dark. **Luckily / Obviously**, it didn't rain until we had finished the picnic and were on our way back to the campsite.

2 We had a brilliant meal at the restaurant. **Surprisingly / Luckily**, my brother offered to pay the whole bill. He'd never done that before.

3 The room was terrible. The bathroom was dirty and there were black marks on the ceiling. **Fortunately / Obviously**, we couldn't stay there and we moved to another hotel.

4 The doctor's bill was very high. **Unfortunately / Luckily**, our insurance didn't cover bike accidents and we had to pay it all ourselves.

5 Rita met a very nice boy while we were at the hotel and they went out several times. **Surprisingly / Understandably**, she didn't want to go home!

6 I never met my American grandfather when we visited the family in the USA. **Obviously / Sadly**, he had died the previous month.
