## Part 3

You will hear five short extracts in which teenagers are talking about a family day out at an activity centre. For questions **19–23**, choose from the list (**A–H**) what each speaker says about the place they went to. Use the letters only once. There are three extra letters which you do not need to use.

---

**A** I bought something useful at the shop.

**B** I've been given a good reason to go back regularly.

**C** I enjoy the idea of being independent of my parents.

**D** I didn't need to take advantage of the help that was available.

**E** I was able to practise a skill I've been learning elsewhere.

**F** I didn't manage to do everything I wanted to do.

**G** I'd be keen to find out more about the place.

**H** I'd like to do the same activity somewhere nearer home.
