Please arrange the jumble paragraphs into a complete story then retell the story briefly!

1. Once upon time, there were an old woman and her son in a small wooden home in the jungle. Her son was named Malin Kundang. They had to survive to live after the father passed away. They found the wood and sold in the market. They would buy food after the wood had been sold.
2. While Malin lived in the city, he met a beautiful girl and fortunately she was a daughter from rich family. He worked in her father and he married his daughter. He said that he did not have family anymore.
3. Due to the wood could make them to be rich, Malin told to her mom to give permitting to find a job in the city. At the first time, her mom did not permit him because she was so old and there was no family. Malin promised after having much money, he would come back. Finally her mom gave permit. And he asked his friend to keep his mom at home while he was in city.
4. When they continued their trip, there was a storm and destroyed the ship and Malin became a stone,
5. One day, they stopped over in Malin′ s island. Malin′ s friend knew his coming and told to his mom. They met Malin in his ship. His mom cried because Malin forgot his mom and he pushed her hard. Because his mom was angry, she said that Malin was liked a stone.
