ROLE PLAY *Shop at a Yard Sale*

A **PAIR WORK** Imagine you are at a yard sale. Number the sentences (1 to 6) to make conversations. Then practice the conversations.

1. ..... And how much are these earrings?
   1 Hello. Can I help you?
   ..... It's twelve dollars.
   ..... Yes, how much is this ring?
   ..... They're twenty dollars.
   ..... Thanks. I'll think about it.

2. ..... Can I help you?
   ..... Oh, that's pretty expensive.
   ..... OK. I'll take it.
   ..... Yes, how much is this MP3 player?
   ..... Well, how about thirty dollars?
   ..... It's forty dollars.

B **CLASS ACTIVITY** Plan a class yard sale. Form two groups. Make a list of things your group will sell, and give each item a price.

Items for sale	Price

Now have the yard sale:

Group A: You are the sellers. Try to sell everything on your list to Group B. Then change roles and decide what to buy from Group B.

Group B: You are the buyers. Ask questions and decide what to buy. Then change roles and try to sell everything on your list to Group A.
