FINAL EXAMINATION- Preparatory Adults 2020

1-READING COMPREHENSION

I'm going to tell you something about my extra activities at school.

Every year my school organises a school trip. Last year, the geography department organised the trip. We went to a national park in the north of England. We took photos of the beautiful landscapes, rivers and mountains.

This year, the English department organised the school trip and they took us to Stratford-upon-Avon where the English writer William Shakespeare was born. We went to see Romeo and Juliet at the theatre. It was very romantic but difficult to understand because people spoke English in a very different way in those days. The weather was terrible too, but we had an interesting day.

Love, Vanessa
