Exercise 1

In this unit, you will learn about IELTS Listening Section 4 and practise the skills you need to answer summary and note completion questions.

Read the information. Then listen and match the recordings with the student's notes.

Try to make notes as you listen – this can help you to make an educated guess for any answers you don't get. You may guess correctly, and if you leave an answer blank, it is definitely incorrect! Remember to check your spelling as you transfer your answers to the answer sheet.
