→ _____

VII. Read and circle True or False.

A SILLY ROBBERY

In 2005, two men tried to rob a gas station in Poulsbo, Washington. They told the clerk to put all the money from the cash register into a bag, but they didn't realize that there were only eight dollars in it. They drove away with the money. But they got lost because they weren't from that town and they didn't have a map. They finally drove into a gas station to get directions. Unluckily, they returned to the same gas station. The clerk called the police. Therefore, these robbers couldn't escape.

E.g. The gas station was in New York.	**True**	**False**
48. There were ten dollars in the cash register.	**True**	**False**
49. The robbers got lost.	**True**	**False**
50. The robbers returned to the same gas station.	**True**	**False**
51. The police didn't catch the robbers and they escaped.	**True**	**False**
