BEST TRIP EVER!

Last summer, I visited Australia. It was an amazing experience I shared with my family and two friends. We went sightseeing the most incredible places in Sidney. I took more than one hundred pictures and made an album.

In Australia, we met new friends. They invited us to a famous restaurant to try traditional food. I ordered a meat pie. It was delicious, even more delicious than the pies we eat in Colombia.

On my second day in Australia, my friends and I went hiking in a big forest. We were walking down a mountain when we suddenly saw a blue lake. We jumped into the water and swam for hours. Later, we were going back to the hotel when my friend Lola found a wallet with $1000. There was an ID and a phone number in it; so, we decided to call. An old lady picked up; she was very worried about losing her wallet. We returned it to her. She was so thankful that gave us $300 as a reward.

We bought clothes and souvenirs for our friends with that money.

Australia was a great place to visit; so, we are going to travel there again next year. We are going to buy flying tickets next weekend. I think it will be the best experience ever!
