The following text is for questions number 16 to 20

Hello. My name is Wijaya. This time, I will tell you about my study habits. I have usual study habits. The first thing I do before I study is washing my face. It freshens me up. I feel like I have a new energy after washing my face. Then, I prepare tomorrow's lessons and see if there's any homework.

I start my study by looking at the lessons that I think is easy. I think it saves more time. I can have more time to study difficult lessons. Besides that, I keep a correspondence with my friends via phone. If there's something I don't understand, I just call my friend and try to solve the problem together.

I think that's all for my study habits. Typical, isn't it? What do you think?
