Today is National Grape Popsicle Day!

Let's celebrate with these fun math problems!

1. How many *GRAPE* popsicles do you see below?

2	5	1

2. How many *GRAPE* popsicles do you see below?

3	11	4

3. I bought a box of popsicles from ALDI. The box contains 12 popsicles. There is an equal amount of Cherry, Grape, and Orange popsicles. How many popsicles will be grape?

4	12	8
