Write a Persuasive Paragraph:

Social Media

A **persuasive paragraph** states and supports an opinion. Follow the instructions below to write your own persuasive narrative on the topic of social media.

Outline your narrative using the subject and structure outlined below.

Subject: A new policy will ban social media access to all users under the age of 18.

Introduction: State your position or opinion. Who is your audience? In other words, who are you trying to persuade? Keep your audience in mind when you write.

Reasons: List at least three reasons for your opinion. Think of your audience and what reasons might persuade them.

Conclusion: Restate your opinion in a way that relates it to a greater statement about the world or society.
