Waking up in my college **dorm/form**
Yeah, my life, it was pretty normal
Looking for a date to the spring **normal/formal**
Wasn't worried 'bout nothing else, no
Majoring in undecided
No book/Notebook full of bad songs I was writing
Never dreamed anyone else would like'em
Now they're sitting on a Walmart shelf

Ain't it funny how life changes
You wake up, **ain't/and** nothing the same and life changes
You can't stop it, just **hop/stop** on the train and
You never know what's gonna happen
You make your plans and you hear **god/her** laughing
Life changes, and I wouldn't change it for the world, the world, oh no
And I wouldn't change it for the world, the world, oh no

I bought a ring and she said "I do"
But everybody else said, "man, you're twenty-two
"Whatcha trying to prove?"
"Hey why don't you **wake/wait**?"
'Cause I've been waiting on her since the second grade yeah
And now she got her own set of fans
She got a blue check mark by her Instagram
And I wrote a little song about holding her hand and now everybody wanna **die/lie** happy now

Ain't it funny how life changes
You wake up **ain't/and** nothing the same and life changes
You can't stop it just **stop/hop** on the train
You never know what's gonna happen
You make your plans and you hear **her/god** laughing
Life changes (yes it does) and I wouldn't change it for the world, the world, oh no
And I wouldn't change it for the world, the world, oh no

I remember the day I told my Daddy and Mama you're gonna have a grandkid, yep
From Uganda, that's right, we're adopting
And she **is/sheet** the cutest little girl that you've ever seen
Well I was wrapping my head around being a dad
A bigger **wrench/ranch** got thrown in the plans we thought we'd had
Now Lauren's showin', got one on the way
Yeah that's two **under/and** two, hey, what can I say?

Ain't it funny how life changes
You wake up **and/ain't** nothing the same and life changes
You can't stop it just **hop/stop** on the train and

You never know what's gonna happen
You make your plans and you **her/god** laughing
Life changes and I wouldn't change it for the world, the world, oh no
And I wouldn't change it for the world, the world, oh no
The world, the world
The world, the world
