ROBBY WILLIAMS - MY WAY

And now the end is_____
So I face the final curtain
My friend, I'll say it clear
I'll state my case of which I'm_____

I've lived a_____ that's full
I've _____each and every highway
And more, much more than this
I_____ it my way

_____, I've had a few
But then again, too few to mention
I did what I_____ do
And saw it through _____exception

I planned each charted course
Each careful _____
along the byway
Oh, and more, much more_____ this
I _____it my way

Yes, there were times, I'm sure you_____
When I bit off _____ than I could chew
But through it all when_____ doubt
I ate it up and spit it out
I faced it all and I _____tall
And_____ it my way

I've loved, I've_____ and cried
I've had my fails, my share of losing
And now as tears subside
I find it all so_____
To think I did all that
And may I_____, not in a shy way
Oh, no, no not me
I _____it my way
……..

For what is a man, what has he got
If not himself, then he has not
To say the things he truly feels
And not the words he would reveal
The record shows I took the blows
And _____it my way

near without say there was certain more had to
amusing did laughed knew Regrets than stood
step travelled life
