You will soon be able to create anything you want from thin air. All you will need is some **(1)** ____ and the **(2)**_____ 3Doodler. It is the world's first 3D printing pen. The device looks like a thick **(3)** ____ .	**CREATE** **MAGIC** **MARK**
The **(4)** ____ can create whatever he or she wants until of course, the plastic ink is spent. The **(5)** ____ say that most people will be able to create 2D objects on paper very quickly. Not a natural born **(6)** ____ ?	**USE** **INVENT** **ART**
No **(7)** ____ . The company is planning to add special kits. All the **(8)** ____ has to do is print them, and then use the pen to turn it into a standing 3D object. Of course, school projects are not the only use for this **(9)** ____ pen. They can be used to create glass art, make jewelry and the list goes on and on restricted only, by your **(10)** ____ . And, if your 3D **(11)**_____ falls apart, the amazing 3Doodler can even be used to 'glue' it back together.	**WORRY** **USE** **AMAZE** **IMAGINE** **CREATE**
