LIVEWORKSHEETS

8. A new business is thinking about setting up a network. They've asked you to advise them on whether it is a good idea. You need to write an email to the manager of the business. In your email you need to include:

a) Benefits of a network
b) Disadvantages of a network
c) Whether you would recommend a network and why or why not.

Type your email in this box:

9. What is the largest WAN in the world?
