## Tom Gates's diary – Part 2

For instance, this is what I did this morning (my first day back at school).

Woke up – listened to music
Played my guitar
Rolled out of bed (slowly)
Looked for socks
Looked for clothes
Played some more guitar
Realized I hadn't done my "holiday reading homework"

PANICKED – thought of good excuse for lack of homework (phew!).
Annoyed my sister, Delia. Which I admit did take up a very LARGE chunk of the morning (time well spent though).
Hid Delia's sunglasses.
Took my comic into the bathroom to read (while Delia waited outside – Ha! Ha!).
