Let it be

The Beatles

When I find myself in times of trouble,
Mother / Sister Mary comes to me
Speaking words of wisdom, let it see / be
And in my hour of darkness / happiness
she is standing right in front of the window / me
Speaking words of wisdom, let it see / be
Let it be, let it be, let it be, let it be
Whisper words / texts of wisdom, let it be

And when the broken hearted children / people
living in the world agree
There will be an answer / a help , let it be
For though they may be parted,
there is still a chance that they will see / be
There will be an answer, let it be
Let it be, let it be, let it be, let it be, there will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper / Repeat words of wisdom, let it be
Let it be, let it be, let it be, let it be, whisper words of wisdom, let it be

And when the night is dark / cloudy
there is still a light that shines on me
Shine / Stay until tomorrow, let it be
I wake up to the sound of a song / music,
Mother Mary comes to me
Speaking / Singing words of wisdom, let it be
