Every breath you take

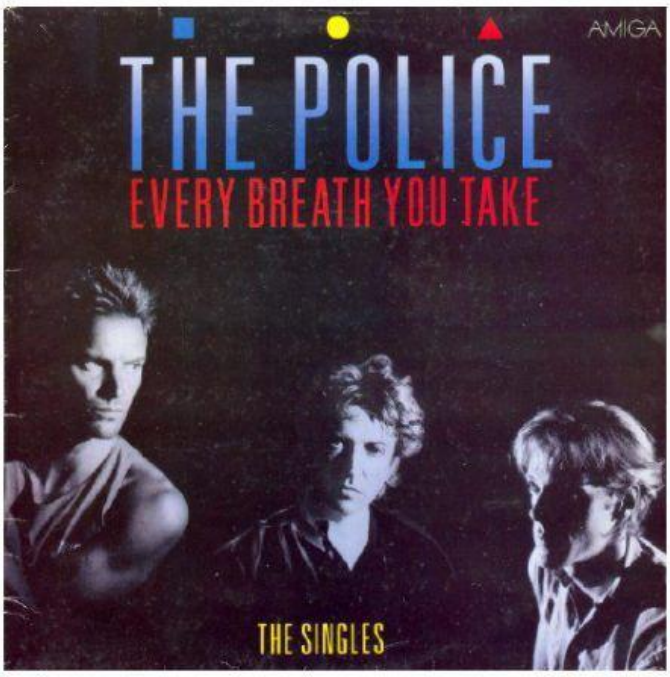
The Police

Every breath you make / take
Every move you fake / make
Every bond you break / make
Every step you take / fake
I'll be watching you

Every single May / day
Every word you play / say
Every game you play / stay
Every night you say / stay
I'll be watching you

Oh, can't you feel / see
You belong to me / us
How my poor heart aches
with every move / step you take

Every move you take / make
Every vow you break / shake
Every smile you take / fake
Every claim you stake / make
I'll be watching you



Since you've lost / gone
I've been lost without a trace
I dream at night
I can only see your smile / face
I look around
but it's you I can't replace
I feel so cold / hot
and I long for your embrace
I keep crying baby, baby stay / please

Oh, can't you see / hear
You belong to us / me
How my poor heart aches
with every move / step you take

Every move you take / make
Every vow you break / bake
Every smile you make / fake
Every claim you stake / take
I'll be watching you

Every move / step you make
Every move / step you take
I'll be watching you...
