

**Form 3: Special Relationships (Unit 4)**  
**Part 3: Information Transfer**

Read the text below and answer questions 1 – 8.

## Cat Lovers

Mr. Hassan and his wife, Mrs. Hakimah are avid cat lovers. They have a total of 20 cats as pets. Each of the cats has their own names. Their passion for cats have developed in them for more than ten years ago. It only started with their one pet cat, however, the number of cats they cared for had increased throughout the years. Some stray cats were even brought back home from the streets and also from inside a garbage bin! There was this once that Mr. Hassan heard a kitten crying from inside a garbage bin. Having a love and empathy for cats, he just had to bring it home. They are even willing to spend more than RM700 a month for the cats' expenditure, not including frequent visits to the vet! Their love for cats are just unbreakable.

### Questions 1-8

Complete the following table.

Choose **no more than three words and/or a number** from the text for each answer.

For each question, write your answer in the space provided on your answer sheet.
