The Weeknd - Sacrifice

I was born in a city
Where the winter nights don't ever_---------
So this life's always with me
The ice inside my veins will never bleed

My, ooh
My, ooh

Uh, every time you try to ---------- me
I know you'll never find that missing piece
When you cry and say you miss me
I'll lie and tell you that I'll never leave

But I ---------- (sacrificed)
Your love for more of the night (of the night)
I try to put up a fight (up a fight)
Can't tie me down (down)

I don't wanna sacrifice
For your love, I try
I don't wanna sacrifice
But I love my time

My, ooh
My, ooh

I hold you through the ---------- parts
When you feel like it's the end
'Cause life is still worth living
Yeah, this life is still worth living
I can break you down and ------- --- ----
And fuck like we are friends
But don't be catching feelings
Don't be out here catching feelings 'cause

I sacrificed (sacrificed)
Your love for more of the night (of the night)
I try to put up a fight (up a fight)
Can't tie me down (down, down)

I don't wanna sacrifice
For your love, I try
I don't wanna sacrifice
But I love my time
