**"Collocation" refers to the way that words form predictable relationships with other words. Look at the alternative adjectives (a-h) and ~~cross out~~ the adjective which does not form a strong collocation with the noun. Use your dictionary if necessary.**

a **designer** / ~~**brand**~~ clothes
b **shiny** / **bright** eyes
c **round** / **circular** face
d **spiky** / **pointy** hair
e **strong** / **firm** handshake
f **charming** / **fair** manner
g **heated** / **warm** smile
h **profound** / **deep** voice

**Match the nouns from Exercise 1 with the adjectives below to make additional strong collocations.**

a hearty / limp handshake
b expressive / impassive _____
c fake / forced _____
d close-set / staring _____
e sleek / tousled _____
f husky / shrill _____
g old-fashioned / scruffy _____
h abrasive / mild _____
