LIVEWORKSHEETS

C: Fill in the following gaps with the correct word form.

AUSTRALIA

For years, Australia has had an **(0)** ....irregular.... pattern of population distribution, with more people living in towns and cities in **(25)** ..... areas, especially the east and south-east, than in the interior of the country. Since the 1940s, the population has become still more **(26)** ..... distributed with a significant rise in the number of people living in these cities.	**REGULAR** **COAST** **EVENLY**
Cities are now the **(27)** ..... centres of the country. An important element in their **(28)** ..... has been the number of people from Europe and Asia emigrating to Australia, especially in the second half of the twentieth century. The new **(29)** ..... decided to stay in the cities because **(30)** ..... was easy to find there. Today, the population of Australia includes people who originally came from over 150 countries.	**ECONOMY** **GROW** **ARRIVE** **EMPLOY**
At one time, what made the **(31)** ..... of people in Australia's cities so **(32)** ..... was the country's dependence on the export of agricultural produce – indeed, the country's economy was founded on the production of wheat and wool. This has since changed, not only with increased **(33)** ..... activity, but also with the rapid **(34)** ..... of tourist and recreational facilities. Tourism is now Australia's largest export industry.	**CONCENTRATE** **REMARK** **INDUSTRY** **EXPAND**

LIVEWORKSHEETS

D: Fill in the following gaps with the correct word form.

REMEMBERING YOUR DREAMS

A team of **(0)** ....scientists...., who have studied the subject of dreams, have come up with some interesting conclusions. First of all, everybody, without exception, has them. Secondly, dreams	**SCIENCE**
can be of practical value, acting as a **(25)** ..... of things of	**REMIND**
(26) ..... that we need to do in our waking lives. If you dream of the punishment you may receive for not handing in your homework	**IMPORTANT**
(27) ..... , for example, this may help you to do it on time. Indeed,	**PUNCTUAL**
things we are **(28)** ..... about in our daily lives often feature in our dreams.	**ANXIETY**
But it is hard to make sense of your dreams if you lack the **(29)**	**ABLE**
to remember them in the first place. One **(30)** ..... is that you should keep a diary and pen by your bed, so you can write down your dreams as soon as they occur. You should concentrate on three aspects. Firstly,	**RECOMMEND**
record the strongest emotion in your dream, whether it is fear, **(31)**	**ANGRY**
or whatever. Then write down anything strange or **(32)** ..... that	**USUAL**
happened and the names of the people who made an **(33)** ..... in your	**APPEAR**
dream. This way, according to the experts, you will have a **(34)** ..... and meaningful dream record, which will make for fascinating reading.	**RELY**
