Lesson 4: Page 47

My school trip to Sharjah Museum

I'm not usually very interested in museums, but the Sharjah Museum of Islamic Civilisation was lovely!

We got there in the afternoon and we were all really [1]_____ about the visit. First, I was [2]_____ by all the things to see there. But we had a guide who showed us everything. He explained things to us, and that saved time.

My friend said he was [3]_____ of getting lost because it was such a big museum!

Everyone learned lots of interesting things. I hope to go back again one day!
