Geography

Grade 6

Unit 1: It's your planet!

Unit 1.1-Earth's story: life develops

1. Below are some words from this unit, but are jumbled up. Write them out properly with their definitions from your text book.

Jumbled Word	Unjumbled Word	Definition
lecls		
loveve		
pessice		
rondasusi		
smalmam		

2. Drag and drop the right word from the box to match the definition. You will find help in the glossary given in the book.

Mass Extinction	meteorite	asteroid	Big Bang	fossils	homo sapiens
