THE FIRST WORLD CUP

The World Cup is the most famous football competition in the world. Every four years, thirty-two teams from all over the world compete for the famous gold cup. But do you know about the competition's history?

The first World Cup was in 1930. It was in Uruguay, in South America. The people of Uruguay were excited about the competition, and they built a new stadium in the country's capital. But there was a problem: the journey across the Atlantic by ship was long and expensive. There weren't any jet planes in those days!

Other countries in the Americas (like Brazil, Mexico and the USA) agreed to be in the competition because the journey wasn't difficult for them. But a lot of players in Europe wanted to stay at home. In the end, four teams from Europe decided to come, and there were thirteen teams in the competition. There weren't any teams from Asia, Africa or Australia.

In the final, Uruguay played Argentina. More than 93,000 came to the stadium – there was no TV in those days. Uruguay won 4–2!
