LISTEN TO THE SONG AND CHOOSE THE MISSING WORDS

Where's my [ ]?

It isn't here.

I can't find my skateboard.

Oh, dear! Oh, dear!

The [ ] is in the cupboard, keep looking.

The [ ] is in the cupboard, keep looking.

Look on, look in, look under things

to find my skateboard, too!

The [ ] is on the shelf, keep looking.

The [ ]s on the shelf, keep looking.

Look on, look in, look under things

to find my skateboard, too!

The [ ] is under the table, keep looking.

The [ ] is under the chair, keep looking.

Look on, look in, look under things

to find my skateboard, too!
