by Black James Blunt

My life _____ brilliant.
My love _____ pure.
____ saw an angel.
Of that _____ sure.
She smiled at me on the subway.
_____ was with another man.
But I won't lose no sleep on that,
'Cause I've got a plan.

_____ beautiful (x3), _____ true.
I saw _____ face in a crowded place,
And I don't know what to do,
'Cause I'll never be with _____.

Yeah, she caught my eye,
As _____ walked on by.
She could see from _____ face that I was,
F** high,
And I don't think that I'll see her again,
But we shared a moment that will last till the end.

_____ beautiful (x3), _____ true.
I saw _____ face in a crowded place,
And _____ don't know what to do,
'Cause I'll never be with you.

_____ beautiful (x3), _____ true.
There must be an angel with a smile on _____ face,
When she thought up that I should be with you.
But _____ time to face the truth,
I will never be with _____.
