ALL I WANT, KODALINE

All I want is nothing more

To hear you knocking at my door

Cause if I _____ see your face once more

I _____ die a happy man I am sure

When you _____ your last goodbye

I _____ a little bit inside

I _____ in tears in bed all night

Alone without you by my side

But if you _____ me why would you leave me

Take my body

Take my body

All I want is and all I need is to find somebody

I will find somebody

Like you

Cause you _____ out the best of me

A part of me I had never seen

You _____ my soul wiped it clean

Our love was made for movie screens

But if you _____ me why would you leave me take my body

Take my body

All I want is and all I need is to find somebody

I will find somebody

Ooooohhhhhh

If you _____ me, why would you leave me?

Take my body

Take my body

All I want is and all I need is to find somebody

I will find somebody

Like you
