UNIT 2: HUMANS AND THE ENVIRONMENT

Task 1: Read the leaflet below and match the headlines to the correct story.

A

ONE GREEN, ONE BROWN AND ONE BLACK

B

FEED THE WORLD! WELL, START WITH YOUR FAMILY

C

MAKE MONEY FROM THE SUN!

D

CLEANER STREETS FOR THE TOWN

E

CYCLE, DON'T DRIVE

Do something for your local environment

In this issue, we look at things we can do for our local environment.

1. _____

Do you want to grow your own vegetables or keep a few chickens? Do you think you have green fingers? There are almost one hundred allotment sites available on three-year leases. All the sites are available on a first come, first served basis. Interested? Then give us a call.

2. _____

Do you drive to work? Could you cycle? We have built lots of new cycle lanes in the last two years. They are clearly marked and you can find a complete route map on our website. Remember, cycling is not only good for the environment but will also help you stay healthy.

Townsville District Council

3. _____

In the last few weeks, lots of new bins have been placed along the high street in an attempt to keep our town tidy. Our community wardens will be patrolling the streets and will fine anyone who drops litter. The fine for littering is £100.

4. _____

Starting this month, we're introducing a new system of recycling. Households will be given three bins. The green one is for recyclable rubbish, such as paper, plastic, glass and card; the brown one is for garden and food waste and the black bin is for all other rubbish. New collection times will be announced soon.

5. _____

You can save money on your energy bills by installing solar panels on the roof of your house. For the next six months, we are offering a subsidy of up to £1,000 to people who want to fit the panels on their roof.

Any questions? Call **0908 551 273** and speak to **Sam Davies** or **Olayinka Direto** or visit **www.townsvillegoesgreen.gov.uk** for more information.

Task 2: Find words and phrases from the council leaflet to match with these definitions.
