Listen Track 4 | Could You...?

Listen to the track and underline all requests in the dialogues. Practice them in pairs.

Kate: Hello Mrs. Morgan, how are you?
Mrs. Morgan: Not so bad. You?
Kate: Fine... the thing is... I have to go out and your car is parked right in front of my garage. I'm sorry to bother you. Could you move it, please?
Mrs. Morgan: Of course. I didn't realize... I'll do it immediately. I'm sorry.

Kim: Anny, I'm really sorry, but my printer is not working and I have to make some copies of the report for tomorrow. Could you print them out for me?
Anny: Oh, I'm sorry, but I'm already late for a meeting. Would you ask John, please?

Alan: I am really sorry to have to ask you for this, but they've changed the date of the Paris meeting again. It's on the 5th now. Would you mind changing the flight and the hotel bookings again?
Paula: No problem. Leave it to me.
