Number names

1 Fill in the missing numbers.

ten	seven	one	three	four
two	nine	five	eight	six

2 Write the numeral and the word.

6 six

____ _____

____ _____

____ _____

____ _____

Try this

Work in pairs and write the numbers 1–9 and the words *one* to *nine* on separate cards. Mix up the cards and lay them face down. Take turns to find matching pairs.
