Read the text. Put the pictures in the correct order. Write the number in the circle.

Hello. I'm Emma. I live in London. I get up at 7 o'clock on week days. I have a shower. I have breakfast. Then I brush my teeth. I go to school at quarter to eight. We have lunch at one o'clock. Lessons finish at three o'clock. I get home at about quarter past three. I watch TV for half an hour, and then I do my homework. I sometimes visit my friends before my dinner. I have dinner at seven o'clock. I listen to music, and then I go to bed.

At the weekends I get up at about ten and I usually stay in bed for a while. I often play tennis on Saturdays. I always take my dog for a walk. I tidy my room and I help at home. I sometimes go to the shops, and I often go out with my friends.

Tick (✓) the things you do every day or put a star (★) next to the things you do only at the weekend.

Turn the text into the third person singular.

Add the words that go with the following verbs to make expressions.
