Reading

6) 1- Read the text.

Many people have colleagues at work. Usually you only work together, but sometimes these people are friends. Beatrice is different. She works with her family. They have got a shop in the city. It is open for seventeen hours a day and for seven days a week. Beatrice doesn't want to work all these hours so her family help her. Beatrice opens the shop at 7 a.m. Her parents work there too. Her mother is 75 and her father is 80! Her daughter Liv starts work at ten o'clock. She has got a baby girl of eight months. The baby comes to the shop, too! Beatrice's parents finish work at lunchtime. Beatrice and Liv work until four o'clock. Then Beatrice's husband works in the shop from four o'clock until twelve o'clock. They all feel tired after work, but they like working together. The family's house is near the shop. They all get up early in the morning and another day begins.

2- Write T (true) or F (false).

1. Your colleagues are always your friends. ____
2. Beatrice works in a shop in the city. ____
3. The shop doesn't open at weekends. ____
